Get started today! Simply bring your most current IRS Form 1040 to the Welcome Center and ask for a Membership for All. Our staff will use your Adjusted Gross Income to determine the cost of your annual YMCA membership. If your family has extenuating circumstances or you are unable to afford the offered price, please complete our Scholarship Application to be considered for additional assistance.

Important Things to Know about Membership for All:

- Everyone requesting a Membership for All **must** provide an IRS Form 1040 representing their **household** income. If you do not have a Form 1040, please complete a scholarship form and provide alternate proof of income such as 2 recent paystubs.
- No one may be added to a Membership for All unless their name is listed on the provided 1040. Families with dependents not listed on their 1040 should complete a scholarship application to be considered for assistance.
- Financial Assistance, including Membership for All, is designed to reduce, not eliminate, the cost of a YMCA membership.
- Additional discounts (clergy, military, corporate, etc.) will not be applied to a Membership for All. If you have any questions, please contact our Membership Director.
