2009 Corporate Challenge

As spring approaches, the Grand River Area Family YMCA is offering the 3rd annual Corporate Challenge. It is a great way to begin new friendships in your company or strengthen current friendships by competing in a wide variety of events against other area businesses over a ten week period. This season is more packed than ever!

The corporate challenge allows people to get involved as participants, cheerleaders, volunteers, captains, or event coordinators. The games are also an excellent way to get motivated about an exercise program, lose weight, or change your lifestyle.

As you have probably heard, our YMCA has purchased a golf simulator that projects a golf course on a 10' by 12' screen. This year we are throwing another obstacle in your way of becoming the next C.C. Champion. We will be adding a closest to the pin competition.

As Program Director, I would like to personally invite you and your company/church/school to participate in the 3rd annual Grand River Area Family YMCA Corporate Challenge beginning with our annual BBQ Kickoff on April 24th. Competitions will start on April 24th and conclude with the Freedom Run on July 4th (Awards BBQ on July 10th).

More information is available by calling the YMCA at 660-646-6677. Best of Luck in the games! Hope to see you out there!

Matt Jones, Program Director
mjones@grandriverymca.org
