## NOTES

1. 3 innings constitutes a game.
2. No new innings after time expires.
3. In case of a tie at the end of regulation time, one inning of the international tie breaker is used (not MP). If still a tie, it remains a tie.
4. A new inning begins immediately after the previous inning ends, not after warm ups between innings. HOWEVER, if one team cannot win because of the point spread, then the game is called when little time is left in the game.
5. LEARN THE GAME, LEARN TO LOVE THE GAME. BE GOOD SPORTS.
